## RISK FACTORS

Investing in shares of our common stock involves a risk of loss. Before investing in our common stock, you should carefully consider the risk factors described in "Risk Factors" under "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our periodic filings with the SEC, including, but not limited to, our Amendment No. 1 to the Quarterly Report on Form 10-Q/A for the quarter ended March 31, 2004 and subsequent periodic filings containing updated disclosures of such factors, together with all of the other information included in this prospectus and any prospectus supplement and the other information that we have incorporated by reference. Any of these risks, as well as other risks and uncertainties, could harm our business and financial results and cause the value of our securities to decline, which in turn could cause you to lose all or a part of your investment. These risks are not the only ones facing our company. Additional risks not currently known to us or that we currently deem immaterial also may impair our business.

## USE OF PROCEEDS

We will receive no proceeds from the sale of the shares by the selling stockholder. We will pay certain expenses related to the registration of the shares of common stock.

## THE SELLING STOCKHOLDER

We agreed to file this registration statement with the SEC for the benefit of the selling stockholder. The shares are being registered to permit public trading of the shares (without any restriction as to holding period or volume of such sales). The selling stockholder, or his permitted transferees or other successors in interest, may offer the shares for resale from time to time.

On July 6, 2004, we, through our subsidiary Payspot, Inc., a Delaware corporation ("Payspot"), acquired 100% of the shares of Call Processing, Inc., a Texas corporation ("CPI") for \$5.7 million (the "Initial Payment") and certain additional consideration described below, from Charles Stimson, the sole shareholder of CPI. The Initial Payment was paid by Payspot through the issuance of 251,588 shares of common stock of Euronet, par value \$0.02 per share (the "Euronet Stock"), valued at the average closing price for the 20 trading days prior to the closing date. The transaction was completed pursuant to a share purchase agreement between Payspot and Mr. Stimson (the "CPI Purchase Agreement").

On the closing date, Payspot delivered 125,794 shares of Euronet Stock (the "First Stock Payment") to Mr. Stimson as part of the Initial Payment and retained 125,794 shares in escrow to satisfy any indemnification claims against Mr. Stimson under the CPI Purchase Agreement (the "Escrow Shares"). The Escrow Shares will be released as follows: (i) on July 1, 2005 Payspot will release 65,104 shares from escrow, less the amount of any indemnification claims against Mr. Stimson under the CPI Purchase Agreement (the "Second Stock Payment"); and (ii) on June 30, 2006, Payspot will release 60,690 shares from escrow, less the amount of any indemnification claims against Mr. Stimson under the CPI Purchase Agreement (the "Third Stock Payment").

Under the CPI Purchase Agreement, Payspot is required to pay to Mr. Stimson the amount, if any, by which the value of the Euronet Stock included in the First Stock Payment is lower on the date of registration of such shares (the "Registration Date") than on the closing date, which payment may be in cash or additional shares of Euronet Stock. Under the CPI Purchase Agreement, Payspot is also required to pay to Mr. Stimson the amount, if any, by which the value of the Euronet Stock included as part of the Second Stock Payment and Third Stock Payment is lower in value on the date such stock is released from escrow than on the closing date, which payments may be in cash or additional shares of Euronet Stock. In each case, the shares of Euronet Stock will be valued at the average closing price for the 20 trading days prior to the registration date or the applicable escrow release date, as the case may be. We have registered an additional 88,710 shares of Euronet Stock for issuance of additional shares relating to the First, Second and Third Stock Payments ("Stock Payment True-Up Shares"). This estimate is based upon the closing price of our common stock of \$16.75 on August 3, 2004.

Under the CPI Purchase Agreement, Payspot is required to pay to Mr. Stimson the amount, if any, by which the Net Current Assets (as defined in the CPI Purchase Agreement), exceed \$0.01 as of the closing ("Net Asset Payment"). The Net Asset Payment is to be made through the issuance of additional shares of Euronet Stock valued at the average closing price for the 20 trading days prior to payment. Our current estimate of the amount of the Net Asset Payment is \$697,568. We have registered an additional 41,646 shares of Euronet Stock ("Net Asset Payment Shares") for the Net Asset Payment based upon the closing price of our common stock of \$16.75 as of August 3, 2004.

The CPI Purchase Agreement requires Payspot to make an earn-out payment (the "Earn-out Payment") to Mr. Stimson if the gross profit of CPI for the third and fourth calendar quarters of 2004 (the "Actual Gross Profit") exceeds the gross profit of CPI for the first and second quarters of 2004 (the "Baseline Gross Profit"). The amount of the Earn-out Payment will be eight times the amount by which the Actual Gross Profit exceeds the Baseline Gross Profit. The Earn-out Payment is to be made in shares of Euronet Stock that will be valued based upon the average stock price for the 20 trading days prior to the date of the Earn-out Payment. Based upon current projections of the future performance of the acquired business, as to which we can provide no assurance, we estimate that the Earn Out Payment will be approximately \$1.6 million, and that the number of shares of our common stock issuable in payment of the Earn Out Payment will be approximately 95,522 shares (the "Earn Out Shares"), based upon a per share price of \$16.75, which was the closing price of our common stock as of August 3, 2004

Mr. Stimson did not have a material relationship with us during the three years prior to our acquisition of shares of CPI on July 6, 2004. Pursuant to the CPI Purchase Agreement, Mr. Stimson will continue to serve as President of CPI.

We agreed to file this registration statement with the SEC for the benefit of Mr. Stimson and to use our commercially reasonable efforts to file required amendments and supplements to keep it current and effective until the earlier of (i) the second anniversary of the closing of the initial purchase transaction on July 9, 2004, (ii) the date that Mr. Stimson may sell his shares without restriction by the volume limitations of Rule 144(e) under the Securities Act of 1933, as amended, or (iii) the date that all of the shares issued to Mr. Stimson subject to this prospectus have been sold pursuant to the registration statement of which this prospectus is a part.

The table below shows the number of shares owned by Mr. Stimson based upon information he has provided to us as of July 30, 2004. These numbers do not reflect the impact of any adjustments or limitations described in the foregoing paragraphs. We cannot estimate the number of shares Mr. Stimson will hold after completion of this offering because he may sell all or a portion of the shares and there are currently no agreements, arrangements or understandings with respect to the number of shares to be sold by him. We have assumed for purposes of this table that none of the shares offered by this prospectus will be held by Mr. Stimson after the completion of this offering.

#### PLAN OF DISTRIBUTION

The shares offered by this prospectus may be sold or distributed from time to time by the selling stockholder or his permitted transferees (including donees) or other successors in interest, directly to one or more purchasers (including pledgees) or through brokers, dealers or underwriters who may act solely as agents or who may acquire shares as principals and will act independently of us in making decisions with respect to the timing, manner and size of each sale.

The shares may be sold in one or more transactions at:

- o fixed prices,
- o prevailing market prices at the time of sale,
- o prices related to the prevailing market prices,
- o varying prices determined at the time of sale, or
- o otherwise negotiated prices.

The shares may be sold by one or more of, or a combination of, the following methods, in addition to any other method permitted under this prospectus, to the extent permitted by applicable law:

- o a block trade in which the broker-dealer so engaged will attempt to sell the offered securities as agent but may position and resell a portion of the block as principal to facilitate the transaction,
- o purchases by a broker-dealer as principal and resale by the broker-dealer for its account pursuant to this prospectus,
- o on any national securities exchange or quotation service on which our common stock may be listed or quoted at the time of sale, including the Nasdaq National Market,
- o ordinary brokerage transactions and transactions in which the broker solicits purchasers,
- o privately negotiated transactions,
- o by pledge to secure debts or other obligations,
- o put or call transactions,
- o to cover hedging transactions, or
- o underwritten offerings.

If required, this prospectus may be amended or supplemented on a continual basis to describe a specific plan of distribution. In making sales, broker-dealers engaged by the selling stockholder may arrange for other broker-dealers to participate in the resales.

In connection with the sale of shares, the selling stockholder may, subject to the terms of his agreements with us and applicable law, (i) enter into transactions with brokers, dealers or others, who in turn may engage in short sales of the shares in the course of hedging the positions they assume, (ii) sell short or deliver shares to close out positions or (iii) loan shares to brokers, dealers or others that may in turn sell such shares. The selling stockholder may enter into option or other transactions with broker-dealers or other financial institutions that require the delivery to the broker-dealer of the shares. The broker-dealer or other financial institution may then resell or transfer these shares through this prospectus. The selling stockholder may also loan or pledge his shares to a broker-dealer or other financial institution. The broker-dealer or other financial institution may sell the shares which are loaned or pursuant to a right to rehypothecate while pledged or, upon a default, the broker-dealer or other financial institution may sell the pledged shares by use of this prospectus. The broker, dealer or other financial institution may use shares pledged by the selling stockholder or borrowed from the selling stockholder or others to settle those sales or to close out any related open borrowing of shares, and may use securities received from the selling stockholder in settlement of those derivatives to close out any related open borrowing of shares. Some or all of the shares offered in this prospectus may also be sold to or through an underwriter or underwriters. Any shares sold in that manner will be acquired by the underwriters for their own accounts and may be resold at different times in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. These shares may be offered to the public through underwriting syndicates represented by one or more managing underwriters or may be offered to the public directly by one or more underwriters. Any public offering price and any discounts or concessions allowed or disallowed to be paid to dealers, in connection with any sales to or through an underwriter, may be changed at different times. We have been advised by the selling stockholder that he has not, as of the date of this prospectus, entered into any arrangement with any agent, broker or dealer for the sale of the shares.

The selling stockholder may pay usual and customary or specifically negotiated underwriting discounts and concessions or brokerage fees or commissions in connection with his sales. The selling stockholder has agreed not to use the registration statement of which this prospectus forms a part for purposes of an underwritten offering without our consent.

The selling stockholder and any dealers or agents that participate in the distribution of the shares may be deemed to be "underwriters" within the meaning of the Securities Act of 1933, as amended, and any profit on the sale of shares by them and any commissions received by any such dealers or agents might be deemed to be underwriting discounts and commissions under the Securities Act of 1933, as amended.

Because the selling stockholder may be deemed to be an "underwriter" within the meaning of the Securities Act of 1933, as amended, the selling stockholder will be subject to the prospectus delivery requirements of the Securities Act of 1933, as amended. Neither the delivery of any prospectus, or any prospectus supplement, nor any other action taken by the selling stockholder or any purchaser relating to the purchase or sale of shares under this prospectus shall be treated as an admission that any of them is an underwriter within the meaning of the Securities Act of 1933, as amended, relating to the sale of any shares.

We will make copies of this prospectus available to the selling stockholder and have informed him of the need for delivery of copies of this prospectus to purchasers at or prior to the time of any sale of the shares offered hereby.

To the extent required by the Securities Act of 1933, as amended, a prospectus supplement or amendment will be filed and disclose the specific number of shares of common stock to be sold, the name of the selling stockholder, the purchase price, the public offering price, the names of any agent, dealer or underwriter, and any applicable commissions paid or discounts or concessions allowed with respect to a particular offering and other facts material to the transaction.

We have agreed to bear certain expenses of registration of the common stock under federal and state securities laws and of any offering and sale hereunder but not certain other expenses, such as discounts and commissions of underwriters, brokers, dealers or agents attributable to the sale of the shares, and fees and disbursements of any counsel, advisors or experts retained by or on behalf of any selling stockholder. The aggregate proceeds to the selling stockholder from the sale of the shares will be the purchase price of the common stock sold, less the aggregate agents' commissions, if any, and other expenses

of issuance and distribution not borne by us.

We may suspend the use of this prospectus and any supplements hereto upon any event or circumstance which necessitates the making of any changes in the registration statement or prospectus, or any document incorporated or deemed to be incorporated therein by reference, so that, in the case of the registration statement, it will not contain any untrue statement of a material fact or any omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of the prospectus, it will not contain any untrue statement of a material fact or any omission to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

The shares may be sold through registered or licensed brokers or dealers if required under applicable state securities laws.

Any securities covered by this prospectus that qualify for sale pursuant to Rule 144 under the Securities Act of 1933, as amended, may be sold under that rule rather than pursuant to this prospectus.

We cannot assure you that the selling stockholder will sell any or all of the common stock offered hereunder.

Item 15. Indemnification of Directors and Officers

Section 145 of the Delaware General Corporation Law authorizes a court to award, or a corporation's board of directors to grant, indemnity to directors and officers in terms sufficiently broad to permit indemnification under certain circumstances for liabilities (including reimbursement for expenses incurred) arising under the Securities Act. Article Eighth of the Registrant's amended certificate of incorporation and Article VII of the Registrant's bylaws provide for indemnification of the Registrant's directors and officers to the maximum extent permitted by the Delaware General Corporation Law. The Registrant also maintains, and intends to continue to maintain, insurance for the benefit of its directors and officers to insure these persons against certain liabilities, including liabilities under the securities laws.

Item 16. Exhibits

The index to exhibits appears immediately following the signature pages to this Registration Statement.

Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of the securities offered would not exceed that which was registered) and any deviation from the low or high end of estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the change in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions of the Delaware General Corporation Law, the certificate of incorporation or bylaws of the registrant or resolutions of the registrant's board of directors adopted pursuant thereto, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Leawood, State of Kansas, on this 4th day of August, 2004.

Euronet Worldwide, Inc.

Suite 300  
Leawood, Kansas 66211

Ladies and Gentlemen:

We have acted as counsel to Euronet Worldwide, Inc., a Delaware corporation (the "Company"), in connection with the Registration Statement on Form S-3 (the "Registration Statement") filed with the Securities and Exchange Commission (the "Commission") by the Company on the date hereof under the Securities Act of 1933, as amended (the "Act"). The Registration Statement relates to 414,657 shares of the Company's common stock, \$0.02 par value per share (collectively, the "Shares"), issued to the selling stockholder listed in the Registration Statement.

In connection therewith, we have relied upon, among other things, our examination of such documents, records of the Company and certificates of its officers and public officials as we have deemed necessary for purposes of the opinions expressed below. We express no opinion as to matters under or involving the laws of any jurisdiction other than the corporate law of the State of Delaware and the federal law of the United States of America.

For purposes of the opinion expressed below, we have assumed (i) the authenticity of all documents submitted to us as originals, (ii) the conformity to original documents of all documents submitted to us as certified or photostatic copies and the authenticity of the originals and (iii) the due authorization, execution and delivery of all documents by all parties and the validity, binding effect and enforceability thereof (other than the authorization, execution and delivery of documents by the Company). This opinion assumes that the provisions of the Company's Certificate of Incorporation will not be amended after the date hereof.

Based upon and subject to the foregoing, and having regard for such legal considerations as we have deemed relevant:

(a) we are of the opinion that the Company has authority pursuant to its Certificate of Incorporation, as amended, to issue up to an aggregate of 60,000,000 shares of common stock, \$0.02 par value per share ("Common Stock").

(b) with respect to an aggregate of 251,588 Shares subject to the Registration Statement issued to or for the benefit of Charles Stimson prior to the date hereof, we are of the opinion that such Shares have been duly authorized, were legally issued and are fully paid and nonassessable.

(c) with respect to an aggregate of 225,878 Shares subject to the Registration Statement that may be issued to or for the benefit of Mr. Stimson as "Stock Payment True-Up Shares", "Earn Out Shares" and "Net Asset Payment Shares" pursuant to the "CPI Purchase Agreement", as defined in the prospectus included in the Registration Statement, assuming that upon issuance such Shares together with all shares of Common Stock previously issued or reserved for issuance and not duly and lawfully retired do not exceed 60,000,000 shares, we are of the opinion that such Shares have been duly authorized and upon issuance shall be legally issued and fully paid and nonassessable.

We hereby consent to the filing of this opinion with the Commission as an exhibit to the Registration Statement and the reference to our firm under the heading "Legal Matters" in the Registration Statement.

We do not undertake to advise you of any changes in the opinions expressed herein from matters that might hereafter arise or be brought to our attention.

Very truly yours,

/s/ Stinson Morrison Hecker LLP
